REQUEST FOR CORRECTION OF FILING RECEIPT

Commissioner for Patents  
P.O. Box 1450  
Mail Stop: Missing Parts  
Alexandria, Virginia 22313-1450

Dear Sir:

The Filing Receipt for the above-identified application which was enclosed with the Notice To File Corrected Application Papers, Filing Date

Granted mailed June 4, 2004, is incorrect in its stated information and is erroneous with specific regard to the domestic priority data as claimed by applicant.

To evidence and factually demonstrate the nature of this error, applicant respectfully directs attention to the Declaration And Power Of Attorney document and the Specification text of record for the present application. As explicitly stated at Page 2 of the Declaration And Power Of Attorney document and again at Page 2, lines 1-4 of the Specification text, the present application claims the benefit of U.S. Provisional Patent Appln. Serial No. 60/458,672 which was formally filed on **March 28, 2003**. Thus, the information and notation stated on the face of the Filing Receipt mailed June 4, 2004 that the date of first filing was "07/24/2003" is completely erroneous; and, moreover, is not the data actually provided by the applicant.

Accordingly, applicant respectfully requests that the error in the date of first filing presently existing within the Filing Receipt for the Domestic Priority data as claimed by applicant be altered and corrected as a matter of formal record; and that a new corrected Filing Receipt be printed which states that the true and accurate date of first filing was March 28, 2003.

Applicant also encloses herewith a copy of the erroneous Filing Receipt mailed June 4, 2004, in compliance with the stated instructions and requirements of the U.S. Patent Office.

Respectfully submitted,

NICHOLAS R. WHITE
